**Re: WC Docket No. 17-108, “Restoring” Internet Freedom**

Dear Ms. Dortch:

On Friday, July 14, I briefly corresponded via telephone with J. David Grossman, Chief of Staff to Commissioner Clyburn.

I informed Mr. Grossman that the Commission, at that time, had yet to rule on the National Hispanic Media Coalition’s Motion for Extension of Time in the above captioned docket.

I referred Mr. Grossman to the contents of the Motion, which explain that if the Commission denies the Motion, which it subsequently did on the comment deadline date, that it could run afoul of the Administrative Procedure Act. I did not go into detail.

I file this notice of ex parte communication pursuant to Commission Rule 1.1206.

Respectfully submitted,

/s/
